

SPW-FS-TDS-02

HAND & FINGER PROTECTION

FINGER SHIELD

Engineered to keep hands and fingers out of the pinch point — built for real bolt and nut removal work, not the showroom.

Available in three lengths — 295mm · 375mm · 850mm

SGS

— SIZE & WEIGHT SPECIFICATIONS

LENGTH	DIAMETER	WEIGHT
850 mm	33.5 mm	680 grams
375 mm	33.5 mm	230 grams
295 mm	33.5 mm	194 grams

— HOW IT WORKS

- Holds large spanners firmly during bolt & nut removal
- Keeps hands clear of the pinch point
- Cuts crush & impact injury risk in manual work

— MATERIALS

BODY
High-Impact Polypropylene

INTERNAL STRAP
Nitrile / PP Webbing (Black)
